

God Is the New Black, Inc. presents:
My Dizahyrd Et Destined Destination
Visions Et Goals Accountability Social Gathering

Starting a new year can seem frightening to some and exciting to others. The overlying dizahyrd goal that we all seem to share is to make the New Year better than the last. **Avonti Adizahyr** Founder/President and **Lateefha Moton** Vice President of **God is the New Black, Inc.** hosted the First Annual "My Dizahyrd & Destined Destination," which is a Visions Book and Goal Accountability Social Gathering, where aspiring and inspirational women would work to make dreams a reality.

The fun began with photos of all the special guests, which included:

- Atlanta Style Blogger: PARIS HART
- Actress/Host/Plus Model: SERWA COLLINS
- Radio personality/Red Carpet Host: LADY SAY DAT
- Singer-Songwriter/COO: Chi Christine
- Founder of Lily Girls & Pearls: COURTNEY PANKEY

Each of these successful entrepreneurs gave encouraging words and tips they've learned along the way. While we were getting blessed with encouraging words of wisdom, we were tasked to fill in our vision pages in our 3D Vision Books.

Lady Say Dat gave motivating words to remind us to stay the course and trust that God's plan and purpose for us is for us, to accept and claim the blessings bestowed to us and using it to inspire the aspired.

Chi Christine broke down the realities of making your visions come to fruition can be trying but definitely worth the journey.

Paris Hart inspired the group by giving sound advice on using discouraging moments as motivating tokens to overcome any obstacle that says we can't. Have faith in your abilities.

Serwa Collins explained the importance of eradicating excuses. Giving us personal revelations of how her goals weren't being conquered and how she consistently didn't accept them. Actions through pray was key to accomplishing the goals that made her dreams come alive, as well as our own.

Courtney Pankey explained the importance of following your heart. How she plans to change the lives of young girls with her organization Lily Girls & Pearls, Inc. She also shared that its ok to change your course for where you want to go in life.

Vision books were provided with interactive tasks to help develop plans for your personal goals. Each page asked a question that would be answered through creative visuals using pictures and words that would remind one to push closer to their dreams or visions.

This social gathering will reconvene monthly to update and motivate fellow members on the progress to stay the course. To get more information on "My Dizahyrd & Destined Destination" and how you can attend the next one.
